

# Technical Data Sheet

Product Code: A612XXX Revised Date: 10/18/2024

## C&H 612

### Product Description

C&H 612 is an ultra-premium, heavy-duty laundry detergent for washing of uniforms and shop towels. Safe to use with oxygen or chlorine bleach.

### Performance Features

- Quickly removes tough dirt from most types of fabrics
- Works well with hard water

### Physical Specifications

Physical State	Powder
Appearance	White
pH	≈ 12
Rinsability	Excellent

### Equipment Requirements

C&H 612 is safe to use in all types of laundry equipment.

### Product Make-Up

C&H 612 is a ready to use laundry detergent.

### Concentration and Application Method

#### Household Washers

For top and front loaders add ¼ to ½ cup per standard 20-to-25-pound load. Use hot water for whites or colorfast fabrics, warm water for permanent press, or cold for colored or fine garments.

#### Commercial Washers

Use ½ to 1 full cup per 35-to-50-pound load or 1 to 2 cups per 100-pound load.

### Companion Products

Please see Seacole's Product Catalog.

### Safety and Handling

Please review and understand the C&H 612 SDS before handling.

### Waste Treatment

Individual users should verify the nature of spent solutions to assure compliance with local, state, and federal regulations.

### Ordering Information

C&H 612 is available in 50# pails, 50# boxes, and 100# drums.
