

Technical Data Sheet

Product Code: ACQ1315 Revised Date: 10/21/2024

Release

Product Description

Release is an aluminum safe detergent designed for exterior washing, cleaning, and descaling. Used as step one, in a two-step exterior wash. Release brightens aluminum: saddle tanks, tankers, and trailers.

Performance Features

- Quickly removes grease, oils, and road films
- Eliminates hard water scale

Physical Specifications

Physical State	Liquid
Appearance	Blue
pH	1
Rinsability	Excellent

Equipment Requirements

Release can be used with any standard sprayer, steam cleaner, or pressure washer.

Product Make-Up

Release is a highly concentrated liquid cleaner and degreaser. Dilute to specified concentration.

Concentration and Application Method

Two-Step Acid / Alkaline Exterior Wash

STEP 1: Apply Release at 2 - 4 fl. ounces/gallon of water through a low- or high-pressure sprayer. Allow to soak, do not rinse.

STEP 2: Apply a high pH detergent, such as Seacole's Evolution, Total, or Total B at 6 - 8 fl. ounces/gallon of water through a low- or high-pressure sprayer. Allow to soak. High pressure rinse with clean water.

Wheel Brightening / Scale & Dirt Removal

Use as is or dilute to a ratio of 1:1 with water. Spray on and let soak for 2 - 5 minutes. Brush heavily soiled areas if necessary. Spray rinse with fresh water.

Washing Polished Aluminum Tankers

Apply Release at 1 - 4 fl. ounces/gallon of water under a low-pressure sprayer from bottom up. Brush heavily soiled areas if necessary. Allow to soak. Rinse with high pressure water from top down.

Companion Products

Please see Total, Total-B, and Evolution as step two for a Two-Step Acid/Alkaline Exterior Wash. Please see Seacole's Industrial Cleaning Catalog.

Safety and Handling

Please review and understand the Release SDS before handling.

Waste Treatment

Individual users should verify the nature of spent solutions to assure compliance with local, state, and federal regulations.

Ordering Information

Release is available in 5 gallon pails, 55 gallon drums, and 275 gallon totes.
