

Technical Data Sheet

Product Code: A147XXX Revised Date: 10/24/2024

C&H 147

Product Description

C&H 147 is concentrated liquid cleaner formulated for general cleaning and degreasing of all hard surfaces. Break removes greases, oils, inks, some aerosol paints, and some non-resistant enamel paints. It is harmless to automotive paints, commercially applied equipment paints, and cured latex wall paints in normal use. Break can be used in all areas of your facilities including: the office, factory, shop, vehicle, bathroom, and kitchen.

Performance Features

- Water based formula with the grease cutting power of butyl
- Non-Flammable
- Phosphate Free

Physical Specifications

Physical State	Liquid
Appearance	Clear
pH	12-12.5
Rinsability	Excellent

Equipment Requirements

C&H 147 can be used with any standard sprayer, steam cleaner, or pressure washer.

Product Make-Up

C&H 147 is a highly concentrated liquid cleaner. Dilute to specified concentration.

Concentration and Application Method

General Maintenance Cleaning

BRUSH AND BUCKET: Use 147 at a concentration of 3%–20% by volume depending on the nature, make-up and extent of the soil to be removed. The use of HOT water increases performance. Apply to the surface to be cleaned with the desired application method. Follow with a thorough water rinse.

High/Low Pressure Cleaning

LOW- OR HIGH-PRESSURE SPRAYERS: Apply 147 at a rate of 4–12 fl. ounces/gallon (ratios of 1:32–1:10). Apply to surface to be cleaned. Where soil deposits are heavy, let soak for 5–15 minutes and brush if possible. Follow with a thorough water rinse.

Companion Products

Please see Seacole's Industrial Cleaning Catalog. For the ready to use version of this product see Seacole's C&H Break.

Safety and Handling

Please review and understand the C&H 147 SDS before handling.

Waste Treatment

Individual users should verify the nature of spent solutions to assure compliance with local, state, and federal regulations.

Ordering Information

C&H 147 is available in 4x1-gallon bottles, 5-gallon pails, 55-gallon drums, and 275-gallon totes.
